What is a Dashboard?

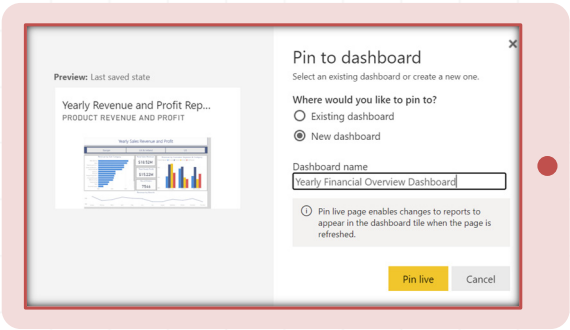

- **Single page overview** of report visuals
- **Full screen** mode
- **Multiple reports**
- Present key **insights & indicators**
- Interactive visuals **shared with other users**

neueda FINANCIALEDGE

Pin Live Page

- **All visuals sit in the dashboard**
- **Updates when visuals/data changes**

FINANCIALEDGE

Know Your Audience
What questions need answered
High-level overview or more technical analysis
Explore the data themselves
Do they need to know why?
What are their goals and objectives
What are their roles
