

**Prerequisite:** You must have an active Felix subscription (individual or B2B) before this will work.

## HOW TO CONNECT

### Open Connectors

1

In Claude.ai, go to Settings → Connectors.  
Click + Add → Custom → Web.

### Name the Connector

2

In the Name field, type exactly:  
Felix

### Enter the MCP URL

3

Paste into the MCP URL field:  
`https://mcp.felix.fe.training/mcp`

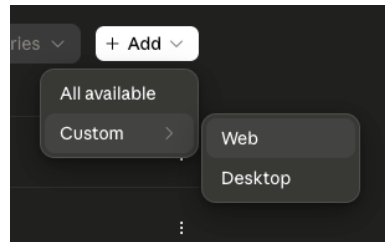

### Click Add – You're Done

4

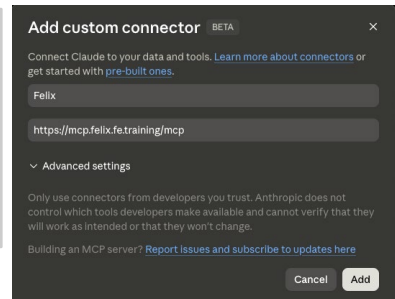

Felix appears as a Custom connector  
and is ready to use.

## WHAT YOU'LL SEE IN CLAUDE

### Step 1 — Navigation

### Steps 2 & 3 — Fill details

### Step 4 — Felix is now connected
